

DUST CONTROL PERMIT

Project Area

Area to be dustcoated:

Applicant

Name: _____

Address: _____

Phone #: _____

Service Provider

Contractor Name: _____ Phone # _____ Fax # _____

Stipulations

Applicant agrees to the following:

1. Before dustcoating may be applied to a Township road, a permit must be obtained from the Township Clerk. There is a \$10 permit fee required. Make check payable to Spring Lake Township.
2. This permit is in effect only for the year in which it was issued.
3. Only calcium chloride, a Minnesota Pollution Control Agency approved material, may be used.
4. It is the responsibility of the Applicant to flag or stake the area to be dustcoated in such manner as not to create a hazard to the public but which signals the area as dust treated.
5. Dustcoating may not be applied until spring road grading has been completed.
6. Applicant fully understands that dustcoating is done to public property. Applicant also acknowledges that it may be necessary for Spring Lake Township to grade or otherwise repair or maintain public roadways which have been treated. There is no guarantee that dustcoating will be undisturbed. The applicant shall have no recourse against the Town for dustcoating which has been disturbed during maintenance or repair of its roadways.
7. Non-compliance with the dustcoating requirements may result in Spring Lake Township removing the dustcoating.
