No clean up should be done in medians, or construction zones.

Whenever possible, face oncoming traffic. Stay alert and be prepared to move out of the way in an emergency. Stay with your team.

Do not wear headsets which could prevent you from hearing traffic or other hazards.

Do not crush collected trash to make more room in the bag; broken or jagged objects could cause accidental injuries.

Do not put syringes or hypodermic needles in the trash bag as they can easily puncture the bag and cause serious injury. Inform Spring Lake Township of the location.
