## Permit Fee and Escrow Requirements

The applicant shall provide Spring Lake Township with a Review Fee and Escrow Deposit in accordance with its Land Use Review Application Fee Schedule, a copy of which is attached. The Escrow Deposit will be used to reimburse the Township for any costs incurred by the Township related to this project/application. The Town may draw on said escrow to reimburse itself for costs incurred in the review, administration, oversight and enforcement of this project/application. If additional escrow is required or Township costs are incurred beyond the escrow amount, applicant shall be billed directly for such costs and applicant agrees to furnish additional monies as requested by the Township. In the event that said costs are not paid, the Township may specially assess such costs against the subject property and/or take necessary legal action to recover such costs, including attorney's fees. Any amounts not utilized from this escrow fund shall be returned to the applicant, without interest, when all work has been completed, and all financial obligations to the Township have been satisfied. **It is the responsibility of the applicant to contact the Township upon completion of project to initiate the refund of any remaining escrow.**

## Stipulations

I hereby certify that the information provided in the application and other supporting material submitted is true and correct to the best of my knowledge.
